- ART meeting: court decree on DOT is here
(not ART & WWNR); discussion mostly
between DOT, FRC, & ART; court decree
version tomorrow - compare to FRC;
no press and to Clark of calls;

(2-nd)

* look out water treatment strategy (1 page)
* (modd): NPS look out how would work
APE looking for "most favored nation" status
DOT said the negotiation is the "most favored"
status (no litigation); agreement against other
regions - DOT will lead to work; coordinate
geographic area operation? (more than 4 years
other work, full model for 8 month, wait
for locations) - DOT said probably not
in base line in summary. Defense station;
APE looking at state for liability now
the ACOE (Sagehill paper); emergency
response provisions - APE re-write &
to the body (1082 order must be
addressed) payment provisions - don't
let flat payment to that may accumulate
want to see some work (production
Sagehill) - use the for transfer to
work together; consultations - APE
want to be heard input on major projects
(no veto power); account costs - \$1.5 million
over 4 years; NRD/cleanup split in the
this - needs more clarification in the
document (divide in the payments); APE/ACOE
meeting 4/10 on CO cleanup; computer input
- ~~DOT~~ should not be National FFWL
computing Regional District; 78 accounts
w/charter
- NPS issue
- ~~DOT~~ Baseline facilities
- education computer linked in RCDP

- Nevada River: 3-5 days w/ Warminster - Lake
the river
 - 3. ~~DOT~~ Matt - pretty late 135-0701
- Th - RR
 - 4. sort file (ADMD) send to Judd
 - 5. call Doug B. re. negotiator had 4 correct
Agree: left message
 - 6. John Carucci
- math doesn't come out right 3-55, 3-52
- how obviously settlement
- how implement, interaction/attitude
- APT meeting
 - 7. ~~Chick~~ - update
8. ~~Don~~ respond to Marjorie Vabbe-Tank re;
Don's test appeal (Chick, Steven report)
 - 9. make to look & fill of Air Space on
FAPA appeal & FAPA letter
